

Samsung S19C450BR Desktop Monitor

It's ergonomically and economically advanced.

19" Low-Cost LED Desktop Monitor with Improved Ergonomics

Technology continues to advance and change. With the Samsung S19C450BR, the perfect balance of new and old is struck. A new LED-backlit panel with ergonomic and slim bezel design is combined with a traditional 5:4 aspect ratio 19" display. With VESA mount compatibility, height-adjustable stand, ultra-low standby power, ECO savings features and a commercial grade panel, this monitor is the perfect choice for a large-scale deployment where a 5:4 aspect ratio is required, while cost savings and long-term reliability remain paramount. The Samsung S19C450BR. **Business. Innovated.**

Everything's Up Front

With narrow bezels, a black matte finish and front-mounted tactile buttons, the S19C450BR is an easy-to-use, easy-to-deploy and easy-to-maintain professional-grade desktop monitor solution.

LED Technology Saves Energy

Samsung LED technology requires up to 40% less energy than conventional monitors, and users can easily adjust brightness settings for an extra energy savings of up to 50%. This enables enterprise users to better manage their power usage.

Impressive Picture Quality

The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers rich color even when viewed off-angle.

Slim Design That Fits Any Desk

The sleek, stylish design and low profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also adds to a clutter-free work environment.

Ergonomic, Adjustable Stand

The monitor swivels, tilts, pivots and is height-adjustable. And since the monitor is VESA compatible, installation on a wall or separate mounting arms is easy.

Fast, Easy Connectivity

VGA and DVI give users flexibility in connectivity. So whatever devices users need to connect today or in the future, the S19C450BR keeps everyone's options open.
