

Samsung 460DR-2 46" Outdoor LCD Display

Versatility makes it the best LCD under the sun.

The 460DR-2 Brings Flexibility and Full HD Resolution to Outdoor Signage

No two businesses communicate with customers in exactly the same way. That's why there's the Samsung 460DR-2 outdoor LCD display. It's a panel-only solution, so it can be placed in a customized enclosure, meeting the unique messaging needs of any business. It can be used as a menu board at a drive-through restaurant. Or as outdoor signage at an amusement park or sporting venue. Even to play movie trailers outside a theater. With a super high brightness level of 1500 nits and full HD resolution, messages are impactful even in bright outdoor light. And connectivity is professional level, including VGA, DVI, DisplayPort, Composite, Component and HDMI. The Samsung 460DR-2. Impactful outdoor messages for all. **Business. Innovated.**

Easy Customization

The 460DR-2 is an open frame solution, so it lends itself to a wide variety of outdoor uses.

High Brightness, High Contrast

1500 nits brightness and 4000:1 contrast ratio assure excellent visibility in outdoor settings with bright ambient light conditions.

Polarized Display

The 460DR-2's special monitor film provides bystanders with a perfect view of the on-screen imagery while wearing sunglasses.

Full HD Resolution

The 460DR-2 offers full HD 1920 x 1080 resolution, adding richness and depth to the image quality.

RJ45 MDC and DisplayPort

DisplayPort delivers enhanced connectivity and an improved display interface, while an upgraded Multi Display Control solution enables control of multiple monitors via their embedded RJ45 interfaces.

SBB-A Media Player

The display's open-frame solution is compatible with the SBB-A media player, adding network capability as well as MagicInfo™ Premium software (the first 5 licenses are free).
